

HKREITA Seminar

Driving Sustainable Development of the Real Estate Industry Players in Hong Kong

Speaker Profile

Alton Wong

Executive Director

Head of Advisory Services, Valuation and Advisory Services, Greater China

Co-head of Sustainability Services, Greater China
Cushman & Wakefield

Alton is the Executive Director and Head of Advisory Services in the Valuation & Advisory Department, Greater China, as well as Co-Head of Sustainability Services Platform, Greater China. He has more than 19 years of experience in valuation and advisory services. Leading the Greater China Advisory Services team, Alton has also extensive experience in environmental, social and governance (ESG) advisory services, covering ESG ratings, Global Real Estate Sustainability Benchmark (GRESB), Task Force on Climate-related Financial Disclosures (TCFD), energy solutions, sustainable development, and green / wellbeing building certifications services.

He is also a committee member of Cushman & Wakefield's Global Corporate Social Responsibility team.

Brian Ho

Partner, Sustainability and Climate Assurance Leader for Asia-Pacific and Southeast Asia

Deloitte

Brian is a Partner and the Climate and Sustainability Assurance Leader for the Asia-Pacific and Southeast Asia at Deloitte. He has 20 years of experience in providing professional services and his expertise includes sustainability strategy, sustainable finance, ESG disclosure and internal control. He has been serving over 200 clients in his career. Before joining Deloitte, he spent 8 years as a partner in an international professional firm, and 10 years as the Director of a regional sustainability consulting firm focusing on the APAC region.

He holds several positions in sustainability sector and is now proactively promoting the development of climate and sustainability in the region. He was also a part-time lecturer and researcher on sustainability at various universities in Asia, and now a PhD candidate on corporate governance and sustainability.

Dr Calvin Lee Kwan

Managing Director – Sustainability and Risk Governance
Link Asset Management Limited

Dr Calvin Lee Kwan has over 18 years of expertise in developing and implementing sustainability strategies covering legal, environmental, financial, social and risk management themes across a variety of industries including oil and gas, automotive, academia and real estate.

Currently the Managing Director of Sustainability and Risk Governance at Link Asset Management Limited, Dr Kwan is responsible for developing and executing the Group's long-term sustainability strategy and oversees progress by implementing a dynamic, decentralised risk management system. Under his "Business as Mutual" approach, Link has become a recognised leader in sustainable finance and climate action with the latest initiative to achieve Net Zero by 2035.

As co-chair of Principles of Responsible Investment's Real Estate Advisory Group, Dr Kwan steers cross-industry efforts on enhancing climate resilience while ensuring APAC-specific issues and implementation challenges are on the Group's radar.

Dr Kwan earned a Doctorate in Environmental Science and Engineering from the University of California, Los Angeles, an EMBA from Kellogg School of Management at Northwestern and HKUST and lastly, a Juris Doctorate from The Chinese University of Hong Kong.
